

FORUM ON INVESTING IN YOUNG CHILDREN GLOBALLY

The Forum on Investing in Young Children Globally (iYCG) in partnership with the Ethiopian Academy of Sciences in Addis Ababa, Ethiopia invites **YOUNG INVESTIGATORS** to present posters and provide a 1-minute overview of their own work at the public workshop on *Supporting Family and Community Investments in Young Children Globally*. In-person attendance is not required, but encouraged for participation. Young Investigators may present work relating to investments across health, nutrition, education and social protection of young children.

ADDIS ABABA, ETHIOPIA
