Supporting Nursing and Midwifery

Empowering Women

Strengthening Health Systems
“It means a degree of dedication, organization and discipline which have not always characterized our research and development efforts. It means we cannot afford undue work stoppages, inflated costs of material or talent, wasteful interagency rivalries, or a high turnover of key personnel.”

John F. Kennedy May 21, 1961
What innovations and organizational approaches will help nursing & midwifery enterprise strengthen health systems and services while empowering women?
