If you remain invisible, you will disappear.
Three groups of 100 people

- 15 years old
- 40 years old
- 85 years old

The older we get, the more different we become.
Together, we build community.
The Weinberg Center is integrated into the campus of the Hebrew Home at Riverdale, an 880 bed long term care facility on 19 acres in Riverdale, NY.

There were no bricks or mortar used to build the Weinberg Center. The Weinberg Center was built from ideas generated between two unique agencies working in the field of aging.
