THE COMMITTEE'S CHARGE

The Robert Wood Johnson Foundation, as part of its Culture of Health initiative, asked the National Academies of Sciences, Engineering, and Medicine to assist in delineating causes of and solutions to health inequities in the United States.

A National Academies committee will examine the evidence on solutions to promote health equity.

THE COMMITTEE

James N. Weinstein, D.O., M.S. (*chair*)

Hortensia de los Angeles Amaro, Ph.D.

Elizabeth Baca, M.D., M.P.A.

B. Ned Calonge, M.D., M.P.H.
