Translating the Results of Hurricane Sandy Research Grants into Policy and Operations

July 20, 2017- AGENDA

Location: Lecture Room – National Academy of Sciences Building
2101 Constitution Avenue, N.W., Washington, DC 20418

WORKSHOP OBJECTIVES

1. Explore key findings from Hurricane Sandy Research Grant projects;
2. Examine the impact of scientific findings on disaster policy and operations; and
3. Discuss opportunities for translation of research findings to future preparedness and response efforts.
