After all you have learned today, how confidently could you act as a proponent of sound tax policy for population health and well-being?

When poll is active, respond at PollEv.com/pophealth

Answers to this poll are anonymous

- Extremely confident (this is my strike zone)
- Very confident (willing to try) - 55%
- Somewhat confident (open to learn) - 39%
- Not very confident (not my role)
- None at all (it’s a phobia)
