IOM ROUNDTABLE ON VALUE & SCIENCE-DRIVEN HEALTH CARE

❖
BEST PRACTICES INNOVATION COLLABORATIVE
❖

OCTOBER 23, 2012
ROOM 100, KECK CENTER
500 5TH STREET, NW
WASHINGTON, DC 20001

Meeting goals

1. Review progress, reaction and impact to date, and next steps to advance BPIC's collaborative work on common reference points, expectations and values for team-based care.
2. Identify opportunities to increase uptake of team-based care principles via online and electronic platforms for education and collaboration.

8:30 am **Coffee and light breakfast available**

9:00 am **Welcome, introductions, and meeting overview**

Welcome from the IOM

Michael McGinnis, Institute of Medicine

Opening remarks and meeting overview by Collaborative Chairs

Michael M.E. Johns, Emory University

Mary D. Naylor, University of Pennsylvania

9:30 am **Team-based care: update and outreach**

During this session, the working group on team-based care principles and values will update the group on progress and dissemination activities.

Matt Wynia, American Medical Association (*co-chair*)

Pam Mitchell, American Academy of Nursing/University of Washington (*co-chair*)

10:00 am **Team-based care: perspectives**

This session will explore perspectives from the health professions on the team-based care principles and opportunities to embed the principles in care practice.

Moderator: Sally Okun, PatientsLikeMe
