Action Collaborative Participants (past and present):

- Cat Davis Ahmed, The FH Foundation
- Misha Angrist, Duke University
- Nazneen Aziz
- Hana Bangash, Mayo Clinic
- Seth Baum, Foundation for Preventive and Integrative Medicine
- Erica Bednar, MD Anderson Cancer Center
- Vence Bonham, National Human Genome Research Institute
- Deborah Bowden, University of Washington
- Angela Bradbury, University of Pennsylvania
- Kee Chan, University of Illinois, Chicago
- Toby Citrin, University of Michigan School of Public Health
- Mindy Clyne, National Cancer Institute
- Summer Lee Cox, Oregon Health Authority, Public Health Division, Center for Protection & Health Promotion
- Christopher DeVore
- Benjamin Djulbegovic, University of South Florida
- Kate Donohue, Northwestern University
- Dave Dotson, CDC Office of Public Health Genomics
- Debra Lochner Doyle, Washington State Department of Health
- Malia Fullerton, University of Washington
- Ted Ganiats, UCSD
- Ridgely Fisk Green, CDC Office of Public Health Genomics
- Jim Gudgeon, Intermountain Healthcare
- Jill Hagenkord, Color Genomics
- Chris Hammond, HHS Office of the General Counsel, NIH Branch
- Candace Henley, Blue Hat Foundation
- Jillian Huang, UT Southwestern Simmons Comprehensive Cancer Center
- Georgia Hurst
- Sara Imhof, NC Biotechnology Center
- George Isham, HealthPartners
- Michelle Jacobs, University of Michigan
- Kim Kaphingst, University of Utah
- Muin Khoury, CDC Office of Public Health Genomics
- Roger Klein
- Bruce Korf, University of Alabama at Birmingham
- Alanna Kulchak Rahm, Geisinger
- Stacey Lane, The FH Foundation
- Debra Leonard, University of Vermont
- Marissa Levine, University of South Florida
- Nita Limdi, University of Alabama at Birmingham
- Jan Lowery, University of Colorado, Denver
- Ellen Matloff, My Gene Counsel
- Colleen McBride, Emory University
- Bob McCormack, Janssen R&D
- George Mensah, National Heart, Lung, and Blood Institute
- Leonard Ortmann, CDC
- Tuya Pal, Vanderbilt University
- Vivian Pan, Advocate Medical Group
- Alisdair Philp, University of Kansas
- Vicky Pratt, Indiana University
- Alex Ramsey, Washington University of St. Louis
- Charite Ricker, University of Southern California
- Sun Hee Rim, CDC Division of Cancer Prevention and Control
- Megan Roberts, University of North Carolina at Chapel Hill
- Juan Rodriguez, CDC Division of Cancer Prevention and Control
- Sheri Schully, NIH Office of Disease Prevention
- Joan Scott, HRSA
- Laura Senier, Northeastern University
- Nirupama Shridhar, Washington State Department of Health
- Amy Sturm, Geisinger Health System
- Angela Trepanier, Michigan Department of Health and Human Services
- Wendy Uhlmann, University of Michigan
- Susan Vadaparampil, Moffitt Cancer Center
- Natalie Waligorski, University of Michigan
- Catharine Wang, Boston University
- Cathy Wicklund, Northwestern University; National Society of Genetic Counselors
- Bob Wildin, University of Vermont Medical Center
- Janet Williams, The University of Iowa; American Academy of Nursing
- Janet Williams, Geisinger
- Doris Zallen, Virginia Tech Carilion School of Medicine
- Ann Graham Zauber, Memorial Sloan Kettering Cancer Center
- Heather Zierhut, University of Minnesota
- Dave Zuzick, The FH Foundation
