- **Patient-Centered Care**: THC 6%, Traditional 7%
- **Mental Health Issues**: THC 10%, Traditional 11%
- **Overall Average**: THC 11%, Traditional 8%
Future Wright Center GME Consortium Strategy

- **Excellence in Patient Care**
  - Medical Homes/Medical Village
  - HIT Meaningful Use and Interoperability
  - Relevant Practice Based Research Network Guiding Scholarly Work
  - Collaborative Partnerships
  - Safe Transitions of Care
  - Cross-Cutting Outcomes Measures and Real Value
  - Triple Aim Focus: Better Care, Better Outcomes, Reduce Cost

- **Excellence in Medical Education and Workforce Development**
  - The Teaching Health Center Regional and National Evolution
  - HRSA Tri-Board Primary Care Faculty Development Application
  - Additional Core Residency Programs and Specialty Fellowships
  - Embracing the ACGME’s New Accreditation System
  - ACGME Competency Based Assessment and “Milestones”
  - The Medical Village Curriculum
  - Leading Inter-Professional Healthcare Workforce Development
Community GME Consortiums Align and Empower Community Stakeholders, Stimulate Crucial Conversations and Promote Collective Accountability for Healthcare Workforce Development that will Catalyze Authentic, Accountable Healthcare Delivery Transformation
