In this time of crisis, what should the IOM do?
President’s Annual Report 2008

- Challenging Times for the Nation
- IOM This Year
- Ask Big Questions
Big Questions the IOM Could Answer

• What should be the contents of the basic, universal, health insurance package?
Big Questions the IOM Could Answer

• What should be the contents of the basic, universal, health insurance package?

• How can the U.S. significantly hold down the rise in health costs while enhancing health?
Big Questions the IOM Could Answer

• What should be the contents of the basic, universal, health insurance package?
• How can the U.S. significantly hold down the rise in health costs while enhancing health?
• What steps does the U.S. need to take to assure adequate human resources to meet the nation’s future health needs?
