Introduction

The Ocean Decade Show is your monthly source of ***behind-the-scenes*** information about the United Nations Decade of Ocean Science for Sustainable Development.

Covering both international and U.S. domestic efforts and people, this podcast will be your guide through exploring the ***history, planning, preparation, and execution of the Ocean Decade***. We'll strive to bring this international effort down to the national, regional, and local scale, answer your Ocean Decade “so what’s”, and ***share the human stories of this global initiative***.
