4:00 p.m.	COMMITTEE DISCUSSION WITH PRESENTER • <u>Cora Marrett</u>, Chair • Questions and discussions stimulated by presentation • Discussion of theoretical and data-driven developments
4:20 p.m.	AUDIENCE QUESTIONS & ANSWERS WITH PRESENTER
4:30 p.m.	PUBLIC COMMENTS
5:30 p.m.	END OPEN SESSION

NOTE FOR PUBLIC MEETINGS: This meeting is being held to gather information to help the committee conduct its study. This committee will examine the information and material obtained during this, and other public meetings, in an effort to inform its work. Although opinions may be stated and lively discussion may ensue, no conclusions are being drawn at this time; no recommendations will be made. In fact, the committee will deliberate thoroughly before writing its draft report. Moreover, once the draft report is written, it must go through a rigorous review by experts who are anonymous to the committee, and the committee then must respond to this review with appropriate revisions that adequately satisfy the Academy's Report Review Committee and the chair of the National Research Council before it is considered a National Research Council report. Therefore, observers who draw conclusions about the committee's work based on today's discussions will be doing so prematurely.

Furthermore, individual committee members often engage in discussion and questioning for the specific purpose of probing an issue and sharpening an argument. The comments of any given committee member may not necessarily reflect the position he or she may actually hold on the subject under discussion, to say nothing of that person's future position as it may evolve in the course of the project. Any inferences about an individual's position regarding findings or recommendations in the final report are therefore also premature.

Meetings and activities of BBCSS are sponsored by:

Alfred P. Sloan Foundation; American Educational Research Association; American Psychological Association; Bill & Melinda Gates Foundation; Elsevier; National Aeronautics and Space Administration; National Cancer Institute; National Institute on Aging; National Science Foundation; U.S. Army Research Institute for the Behavioral Sciences; U.S. Department of Health and Human Services; Office of the Assistant Secretary for Planning and Evaluation (ASPE); Substance Abuse and Mental Health Services Administration (SAMHSA); Teagle Foundation; William and Flora Hewlett Foundation; The Institute of Education Sciences, U.S. Department of Education
