

Adult Learning in the Military Context

Committee Meeting 3- Open Agenda, Day 2

Keck Building, Room #106
500 5th St NW, Washington, DC, 20001

WEDNESDAY, FEBRUARY 28, 2024

OPEN SESSION

Goals for Open Session

The goal for this open session is for the committee to hear from individuals outside of the committee who have relevant expertise or experiences related to the statement of task. These presentations will help inform the work of the committee. In this panel, the committee will learn about critical emerging learning technologies, how they are being used in the military context with a focus on the future.
