MONDAY, FEBRUARY 26, 2024 (ALL TIMES ET)

COMMITTEE MEETING

Purpose

- Introduce committee members to each other and to the National Academies staff.
- Discuss and develop a shared understanding of the study charge and agree on next steps regarding the task.
- Conduct a bias, conflict of interest (COI), and confidentiality discussion.
- Hold a public information-gathering session with the project sponsors to understand more about the background and context of the study.
- Discuss information-gathering needs and expertise gaps, including identifying potential topics and authors of commissioned papers.

Closed Session

10:00–2:00

2:00–2:15 *BREAK*
