Committee on Alcohol at Sea Virtual Meeting Agenda

July 17, 2024

All times listed are in Eastern Time

Meeting Objectives

The purpose of this session is to understand the roles, responsibilities, and activities of the U.S. Department of Transportation Maritime Administration (MARAD) as these relate to the committee's statement of task, including policies and procedures, mariner education and workplace programs, collection and uses of data, and mariner training in the domains of alcohol use, sexual harassment, and their relation to well-being and safety in the commercial maritime industry; and how MARAD's roles, responsibilities and activities relate to those of the Coast Guard.

11:00 am **Welcome**
Joshua Sharfstein, Johns Hopkins University, Committee Chair

11:05 am **The Role of MARAD**
Matthew Mueller, MARAD, Maritime Workforce Development Officer at the Maritime Administration's Office of Maritime Labor and Training

11:30 am **Q&A with Committee Members**

Prepared remarks will be followed by Q&A and discussion with the committee.

12:00 pm **Adjourn Open Session**
