We acknowledge that the National Academies Keck Center and NAS Building are housed on the traditional land of the Nacotchtank (Anacostan) and Piscataway Peoples past and present. We honor with gratitude the land itself and the people who have stewarded it throughout the generations. We honor and respect the enduring relationship that exists between these peoples and nations and this land. We thank them for their resilience in protecting this land and aspire to uphold our responsibilities to their example.

This meeting is being held to gather information to help the committee conduct its study. This committee will examine the information and material obtained during this, and other public meetings, in an effort to inform its work. Although opinions may be stated and lively discussion may ensue, no conclusions or recommendations are being drawn at this time. The committee will deliberate thoroughly before writing its draft report, and the report will undergo a rigorous review by experts before being released to the sponsors and public. (Anticipated report release for this study is May 2024).
