CORES: A Decadal Survey of Earth Sciences - Committee Meeting 1

November 19, 2018

National Academy of Sciences Building
2101 Constitution Avenue, NW
Washington, DC
Room 125

How to attend:

You may attend in-person or watch the meeting online. In-person attendance is limited due to space constraints. Please sign up using our [registration page](#). Once registered, in-person attendees will have their name placed on the building security list, and all registrants will receive an access link for online viewing. *Note: Speakers whose names are listed below are accounted for and do not need to register, unless they plan to attend online and need the web access link.*

Contact Remy Chappetta at rchappetta@nas.edu with questions.
