TUESDAY, NOVEMBER 29, 2022 (ALL TIMES ARE EASTERN)

Objectives

- To consider how COSA members and the National Academies might further engage with BOEM staff on a range of social science topics.

OPEN SESSION

12:00 PM **Introductions**

12:15 PM **Topic Brainstorm and Selection**

- Using the live polling tool Slido, participants can suggest and rank potential topics that may be ripe for further engagement between COSA or the National Academies and BOEM.
- Some examples may include:
 - How might COSA members or the National Academies provide input or support to BOEM's work regarding marine archaeology, cultural resources, history, and related topics?
 - How might COSA members or the National Academies assist BOEM in exploring the bounds of their human impacts, for the sake of determining the appropriate scales and scopes for their analyses?

1:00 PM **Discussion of Format and Individual Topics**

- Depending on the results of the Slido poll, this may take various formats.

2:00 PM **Break**

2:15 PM **Discussion of Individual Topics (cont'd)**

3:15 PM **Recap of Discussions**

- Reporting out from any breakout groups that took place
- Summary of discussions and any established "next steps"
