Data and Management Strategies for Recreational Fisheries with Annual Catch Limits

Committee Meeting 3

September 8-9, 2020

VIRTUAL MEETING

Meeting objectives:

- Hear from MRIP staff regarding Committee inquiries, general survey information, and other topics.
 - Focus the remainder of the meeting on recreational fisheries data and management strategies in the South Atlantic Region.
 - Hear from a variety of perspectives on how well MRIP serves in-season management in the South Atlantic Region.
 - Learn about what supplemental or substitute surveys are employed in the region.
 - Learn about any alternative management approaches that have been tried or considered in the region.
-

September 8, 2020
