

Ocean Acoustic Education and Expertise

Public Meeting: Ocean Acoustics Higher Education and Training Programs Panel

Thursday June 1, 11:00 am - 12:30 pm Eastern

All Times are Eastern

Meeting objectives: This is one of several information gathering meetings for the National Academies committee on Ocean Acoustic Education and Expertise. The purpose of these meetings is to collect information and perspectives that may be informative to their task and will be held on a variety of topics pertinent to the committee's task.

At this meeting the committee will hear from a variety of speakers about acoustics and ocean acoustics higher education and training programs. *Each speaker will deliver brief remarks followed by a Q & A discussion with all panelists.*
