

Joint Project of the National Academy of Sciences and  
the National Academy of Public Administration

## **Tracking and Assessing Governance and Management Reform in the Nuclear Security Enterprise**

### **SITE VISIT**

**May 14-15, 2019**

**Los Alamos National Laboratory**

**Los Alamos, NM**

**OBJECTIVE:** For the Panel to learn, through dialogue and discussion, the perspectives of LANL and NA-LA staff on various aspects of governance and management reform: impact of the Administrator's guidance, what is working well, remaining challenges, and suggestions for further improvement of management and governance in support of NNSA's mission. Extra focus on financial issues, clarity of roles and responsibilities, financial management, and human capital issues.

**Tuesday, May 14, 2019**
