

AGENDA: IOM Forum on Public-Private Partnerships for Global Health and Safety Workshop on Exploring Lessons Learned – Planning Discussion

August 4, 2014 1P – 5P EDT

Location: New York Academy of Medicine

	Agenda Items	
1:00	Discussion on Statement of Task and Workshop Priorities <i>Recognizing the expertise and partnership experience of those on the Forum, how do we frame the workshop to focus on PPPs 201/301 rather than the “basics”?</i>	Approved Statement of Task
1:45	Discussion on Aligning Workshop Focus with Forum Core Principles and Ideas from Strategic Planning Meeting	Forum Operational Framework Graphic Recordings of Strategic Planning Meeting
2:30	Planning Committee <i>Selection/Nomination of Planning Committee Members (Forum members and non-Forum members). Some members have already expressed interest in participating and staff can provide an update.</i> <i>Planning Committee Work Plan</i>	GBEC Approved Areas of Expertise Forum Member Roster/Biosketches
3:15	Speaker Selection <i>Strategy for equitable selection of speakers both internal (i.e. Forum members) and external to the forum. Since we can’t highlight all of the partnerships that the Forum members are engaged in, what will be the consideration criteria for us to achieve equity and transparency?</i> <i>How can we ensure that there is representation/perspective from civil society partners?</i>	
4:00	Discussion of Possible Products/Materials to be Developed before and after the Workshop	
4:30	Next Steps	
5:00	Adjourn
