

# ROUNDTABLE ON POPULATION HEALTH IMPROVEMENT

## School Success: An Opportunity for Population Health Action A Workshop

### AGENDA

June 14, 2018

California Endowment Oakland Conference Center, Oakland, CA

---

#### WORKSHOP OBJECTIVES:

This workshop is intended to explore how health sector capabilities can be used to help improve educational outcomes. Presentations and discussion will cover the following topics:

1. A brief review of why educational success is critical to health
2. How health and public health tools can support educational success
3. Case examples of health and public health organizations working with educational systems to improve specific educational outcomes
4. Policy dimensions that can accelerate these collaborative efforts (e.g., addressing legal issues), as well as establishing critical needs (e.g., promoting equity) to make progress in those areas.
