What drives our activity

OUR BELIEFS

We believe healthier individuals create more vibrant families and communities.

We believe treating people with kindness, respect and dignity empowers healthy decisions.

We believe we have a responsibility to remove barriers and make it simple to get well, stay well, and be well

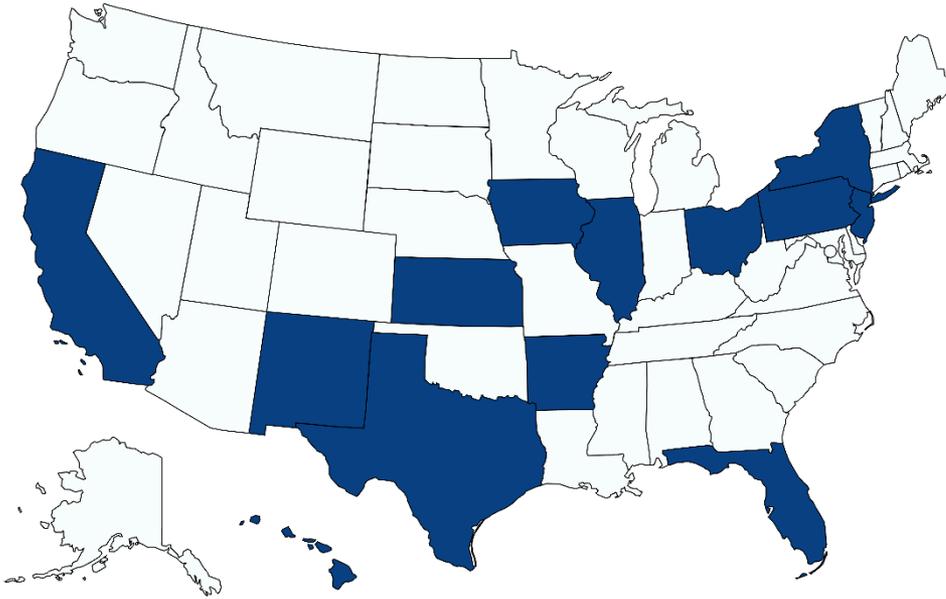

We believe in treating the whole person, not just the physical body.

We believe local partnerships enable meaningful, accessible healthcare.

INTELLECTUAL AND DEVELOPMENTAL DISABILITIES (IDD)

Our current footprint

27,000+ members across 14 states

4,900 members in Kansas

SECTION DIVIDER SLIDE

Value-Based Contracting IDD Providers

Current VBCs and Alternative Payment Contracts – Sunflower Health Plan

- Alternative Payment Model Contracts for Services for Persons with IDD and High Risk Needs – 4 Large IDD Providers
 - Targeted to services for Persons with high risk behavioral challenges and/or high risk medical needs.
 - Historical rates were based upon annual application, individual member need and required a certain number of high risk members to sustain capacity
 - Goal to strengthen the ability of these providers to retain the expertise and ability to support this population
- Value-Based Contract for Transition Coordination
 - Community Transition Coordination Providers
 - Targeted to transitions from institutional placements to community
 - Payments based upon successful placement
- Value-Based Contract for Employment of Persons with IDD
 - Is in Development
 - Pilot with 2 IDD Providers
 - Payments for moving persons from Day Services to Competitive Employment.
 - Incentive Payments are at Different Milestones; Amount based upon Full or Part-Time

Outcomes Discussed for VBCs or Alternative Payment

- Reduction in Care Gaps
- Expanded Coordination of Care
 - Positive Behavioral Supports
 - Health Home
- Reduction in Inpatient Stays, including Institutionalization
- Workforce Enhancements
- Quality of Life Measurements
