IMPROVEMENT

Economic Innovations to Support Health, Equity, and Well-Being:
Exploring Policies that Further the Well-Being of Care Economy Workers

A Virtual Workshop

December 16, 2021 | 11:00 AM – 4:00 PM EST

Agenda

Workshop Objectives | Workshop presentations and discussion will explore the following:

- The history and economic forces that shape current reality for many workers in the care economy and many American families and the lessons and insights important to shaping policy;

- Government policies and approaches to address economic harms experienced by workers and families; and

- Promising work unfolding in the not-for-profit sector.
