### Cancer Patient Navigators of Georgia

*Welcome to the Cancer Patient Navigators of Georgia website!*

Cancer Patient Navigators of Georgia is a statewide organization of people who guide individuals and their families through the continuum of cancer care.

#### MISSION

Our mission is to connect, educate and share best practices among patient navigators in Georgia, so that together we can successfully reduce barriers and increase access to services specifically related to cancer

#### VISION

Patient navigation will play a consistent, defined and sustainable role for all

#### What's New?

##### Georgia's Cancer Survivorship Connection
