

Subject: Bedside Nursing [HMD-HCS-18-11] - The Future of Nursing 2020-2030
Date: Friday, March 22, 2019 2:33:35 PM

Are you going to address safe staffing ratios in hospital and out patient setting? Are you going to address pay? I live in Florida and there is no pay incentive for a BSN. Are you addressing the aging nursing populations? We need nurses that speak Spanish and Creole but we also need nurses that are fluent in English . Thank you Carolyn Paget BSN RN OCN
