Subject: comments for committee on the future of nursing 2020-2030
Date: Wednesday, March 20, 2019 1:40:09 PM

As a public health nurse I was pleased to see a focus on social determinants of health in the background document. However, I feel it would be advantageous to include the role of public health nursing as a part of this charge and should be a part of the report moving forward.

Best,
Jessica
