

**Committee on the Identification and Prognosis of Low Birth Weight Babies in
Disability Determinations**

Draft Meeting Agenda

Public Session

12:30 p.m. – 1:45 p.m. PST (3:30—4:45 p.m. Eastern time)

Meeting 2, February 2, 2023

Beckman Center of the National Academies

100 Academy Way

Irvine, CA 92617

Goals for Discussion:

1. Provide an understanding of a wide range of lived experiences that encompass socioeconomic status, social determinants of health/predictors of poorer health outcomes, and different experiences related to racial/ethnic backgrounds
2. What factors play a role in these lived experiences (psychosocial, environmental, etc.)
3. What current efforts are being undertaken to address the range of lived experiences for families with LBW babies
4. Any other relevant evidence/discussion points raised by panelists or committee members

12:30 p.m. **Welcome**

Walter Frontera, Committee Chair

12:35 p.m. **Panel Discussion on Working with Families of Low-Birth-Weight Babies: Current Research Landscape and Policy Priorities**
