OHIO

# *Oral Health Across the Lifespan*

NATIONAL  
ACADEMIES

Sciences  
Engineering  
Medicine

*An initiative of The HealthPath Foundation*

## State Oral Health Coalition

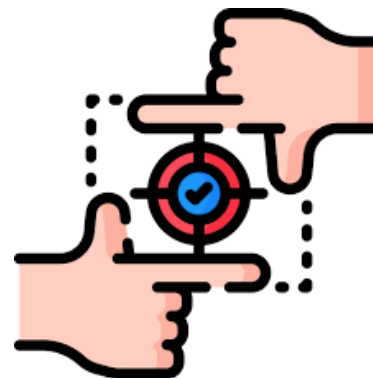

Close equity gap by addressing  
persistent oral health disparities  
across the lifespan

Advocate for systems to prioritize oral  
health

Foster policy change through  
collaboration

# Robust Infrastructure & Focused Impact

ORAL  
HEALTH  
OHIO

Polymakers must hear diverse voices to  
create effective oral health policies

## State Oral Health Plan

Took conversation to the community to ensure solutions were inclusive & comprehensive

## Dental Fee Increase

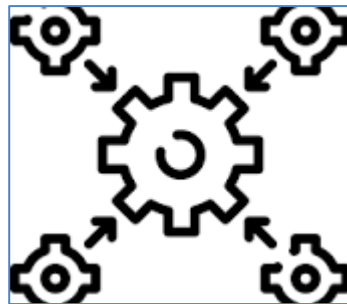

Broad coalition working together

Elevated the importance & consequences of oral health to policymakers

## Opportunity for impact across the lifespan

## Path to impactful solutions across the lifespan

Patience

Persistence

Trust

Shared Vision
