

Open Session Part 1: Committee on Strategies to Enhance Pediatric Health Research Funded by NIH

MARCH 27, 2025 | 9:00 – 10:15 AM EST

Speaker Bios

Mara Olenick, PhD, joined the Division of Scientific Categorization and Analysis (DSCA) within the NIH Office of the Director in 2021 and leads a team of analysts who develop and maintain RCDC categories related to neuroscience, maternal health, reproduction, pediatrics, and aging. She also is the Team Lead for DSCA communication and outreach activities. She earned her B.S. in Chemistry and Biology from King's College and her Ph.D. in Biochemistry and Molecular Biophysics from the University of Pennsylvania, where her research focused on intracellular trafficking in neurons. Prior to joining DSCA, Mara was an AAAS Science Policy Fellow in the Office of Neuroscience Communication and Engagement at NINDS.

Sarah Glavin, PhD, Deputy Director, Science Policy Analysis & Communication; Chief, Science Policy & Evaluation at *Eunice Kennedy Shriver* National Institute of Child Health and Human Development (NICHD).
