ANDREW WELCHMAN, Wellcome Trust

EDMUND TALLEY, National Institute for Neurological Disorders and Stroke / BRAIN
Initiative

KATJA BROSE, Chan-Zuckerberg Initiative

GRANT CAMPANY, X-prize Foundation

Discussion

Panel 2: Accelerating Research and Clinical Translation— Consortia and Public Private Partnerships

Session Objectives:

- Identify specific barriers and opportunities for increased coordinating among ongoing efforts in academia, the private sector, and the federal agencies.
- Brainstorm potential collaborative projects that could be submitted through current or planned mechanisms.
- Explore novel mechanisms for catalyzing innovative technologies for traversing the BBB through new public-private partnerships and consortia, including discussion of potential practical next steps.
