

Forum on Medical and Public Health Preparedness for Disasters and Emergencies

AGENDA – July 18, 2022

National Academy of Sciences Building, 2101 Constitution Avenue, N.W., Washington, DC 20418

MONDAY, JULY 18, 2022

Purpose

- Review relevant ongoing Academies activities, receive updates on member initiatives, and other administrative items.
- Discuss the Forum’s “Crisis Standards of Care” and “What Happened to the Plans? Lessons Observed from COVID-19 & the Future of the U.S Public Health Emergency Enterprise” workshops.
- Receive briefings on current public health disasters and emergencies.
- Discuss opportunities and needs for Forum engagement related to health care and public health workforce resilience, future of work, and workforce development.
- Determine priority topics for Forum activities for 2022-2023.
