

**Webinar on Respiratory Protection for Workers without Respiratory
Protection Programs**
July 20, 2022
1:30 – 4:00pm ET

Agenda

Meeting Objectives:

- To provide a shared understanding of the committee's proposed framework for meeting the respiratory protection needs of workers without respiratory protection programs (RPPs).
 - Engage with federal partners and other key stakeholder organizations to:
 - Hear stakeholder responses to the National Academies report and its recommendations related to respiratory protection for workers without RPPs.
 - Identify pressing needs to ensure better preparedness and protections for workers without RPPs during future emergencies requiring respiratory protection.
 - Discuss the practical considerations of implementing the committee's framework, with a specific emphasis on the identification of current work or programs that could be leveraged and expanded on to have immediate impact.
