March 2021

Launched our first *Faith & Vaccines* vaccination clinic at
the Islamic Center of Maryland

Gaithersburg, MD

Vaccination cue at ICM, March 28, 2021

Vaccination waiting area in ICM, March 28, 2021

EDUCATION AND CANVASSING

September 10: BBQ Bash at MCC

Faith and Vaccines attended an end of summer BBQ bash at MCC hosted by the Youth Group to discuss the importance of the COVID-19 vaccine and answer questions. Resources and literature were provided and contact information of individuals interested in receiving the vaccine was obtained.

September 12: El Salvadorian Festival at Montgomery County Fairgrounds

Faith and Vaccines team led by our Outreach Organizer Oscar Alvarenga, attended an El Salvadorian Festival at the Montgomery County Fairgrounds on September 12 to educate and distribute materials to unvaccinated community members.

EDUCATION AND CANVASSING

September 4: ICM “Masjid Motor Meet” Event

Faith and Vaccines attended a “Motor Meet” Event at ICM to educate the public about the COVID-19 vaccine and distribute materials.

EDUCATION AND CANVASSING

November 21: Day of Dignity at ICM

F&V outreach coordinator, and ICM Board of Trustee member, Adileh Sharieff, organized the Day of Dignity event at the Islamic Center of Maryland. This event aimed to provide necessary items such as food, books, and hygiene kits to underserved communities. SDOH literature and GoVax flyers in English and Spanish were distributed. Over 500 community members attended.

RESOLVE

VACCINE CLINICS

October 24 and October 31: MCC

Faith Leaders and other Admin members of MCC received their booster vaccines in hopes of encouraging vaccine uptake by exhibiting trust in the healthcare community.

November 7th 2021: Muslim Community Center

1st clinic offering pediatric vaccines; Pediatricians Dr. Shahreen Hussain and Ferjana Khan, RN, as well as PA Shama Shaikh administered pediatric doses at our designated pediatric vaccine tables.

105 vaccines were administered: 75 pediatric doses and 30 adult doses.

November 13th 2021: IMAAM Center

Volunteers provided from the IMAAM Center helped with registration, and others helped translate for Indonesian, Balinese, Urdu, Bangla, and Spanish-speakers.

Approx. 105 doses were administered: 73 adult doses and 32 pediatric doses.

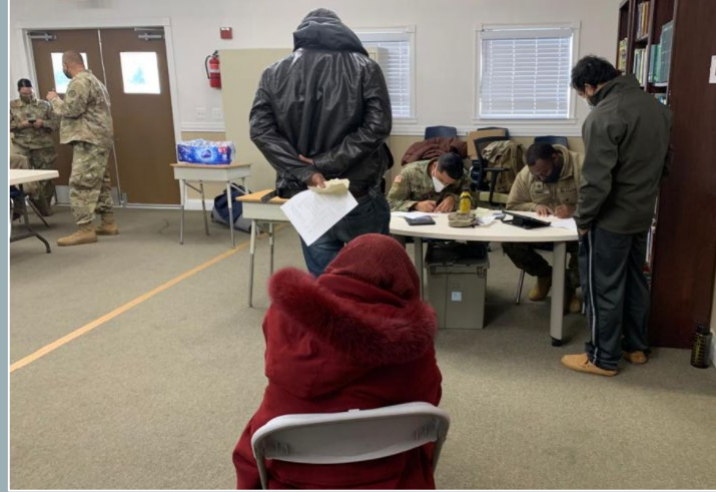

VACCINE CLINICS

November 14: Islamic Society of Germantown

ISG provided volunteers to assist in Urdu, Bangla, Hindi, Arabic, and Spanish translation.

F&V partnered with Main Street Pharmacy that provided vaccine doses.

November 19: Islamic Center of Maryland

Vaccine clinic at ICM partnered with the Maryland Dept. of Health and MD National Guard Vaccine Equity Task Force to help with registration and administer vaccines.

F&V administered pediatric doses provided by Main Street Pharmacy. Adult doses were arranged and administered by the MD Dept. of Health.

VACCINE CLINICS

November 2021: Epworth United Methodist Church

Physician and epidemiologist Dr. Anam Tariq addressed questions individuals had about mixing mRNA COVID-19 vaccine manufacturers (i.e. mixing Moderna first and second doses and Pfizer boosters).

November 2021: Muslim Community Center

VACCINE CLINICS

December 2021: Islamic Society of Germantown

A Spanish-speaking community member came to receive his first dose of Moderna, but only Pfizer vaccines were available. Unfortunately he had received misinformation about Pfizer; however, after educating him on the safety of Pfizer, he received his first dose.

SPECIAL VISIT FROM BRIGADIER GENERAL BIRCKHEAD, LEADER OF THE MD NATIONAL GUARD "VACCINE EQUITY TASK FORCE".

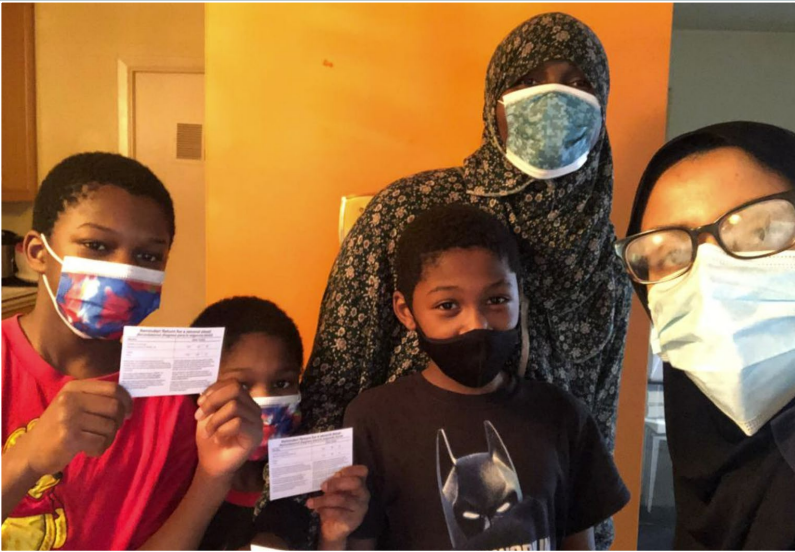

FIRST DOSE RECIPIENT WITH OUR TEAM MEMBER KAMRAN

SECOND DOSE RECIPIENT

MEET THEM WHERE THEY ARE

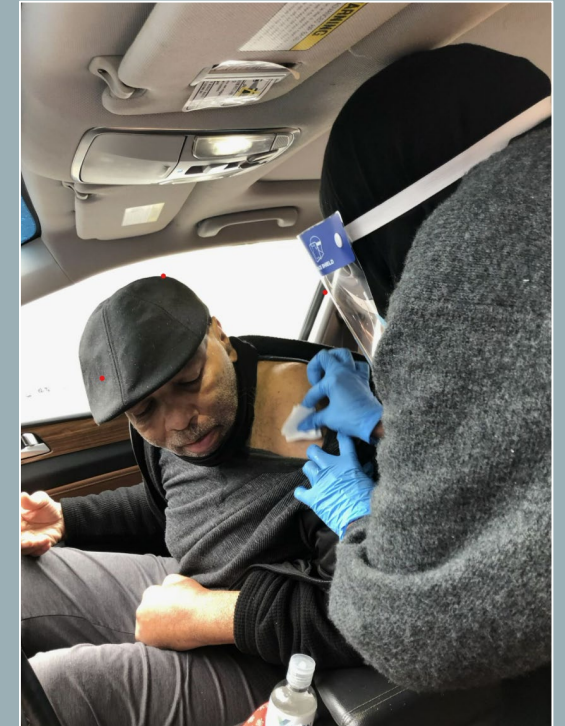

Prince George's County, MD

Second doses administered to this family. A single mother, was hesitant in the past on getting the vaccine. This family's first doses were administered in December at PGMA. They missed the second dose clinic, so we made a house call and administered their second doses. Since fully vaccinating her family, Ms. "A" has been advocating for the vaccine in the west African community. She enlisted as a community canvasser with Faith & Vaccines.

Mr. "K" an Afghan refugee brought his two sons to Al Huda school for covid-19 vaccines but was not vaccinated himself and still hesitant. After engaging in discussion, Mr. "K" agreed to get the vaccine.

January 2022: Al Huda
College Park, MD

F&V team member
Khadija Traore
administered a booster
vaccine to an immobile
stroke patient.

January 2022: FMCBC
Baltimore City, MD
