Health Mart Pharmacies as Solution Centers

Finding a way to Serve

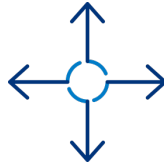

Accessibility and Convenience

Health Mart pharmacies are located in the centers of communities.

60 % of Health Mart pharmacies are located in rural and underserved areas.

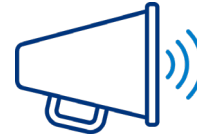

Many locations are the only health care provider within 5-mile+ radius.

Resilience and Flexibility

Independent pharmacies are built for speed in decision making and taking action.

Services ramp up quickly and adapt as guidelines and processes change

Impacting Communities Served

Health Mart Pharmacies have trusted voices in their communities.

Pharmacy team members mirror communities served.

HealthMart.FindHelp.com is an important resource.

Community Health Workers as a part of the team.

Barriers that must be solved

Interconnectivity

- Data is critical
- Submission time limits success
- Systems must be connected

Legal/ Regulatory Pathways

- Multiple governing bodies
- Provider liability
- Scope of practice disconnects

Payment

- Sustainable fees
- Permanent methods
- Integrated systems

**Pharmacies remain ready providers of care
for their communities**

The background of the slide features a series of concentric circles in various shades of blue, creating a tunnel-like effect that draws the eye towards the center.
