

Paul E. Petersen, PharmD, MPH, CEM
Director, Emergency Preparedness Program

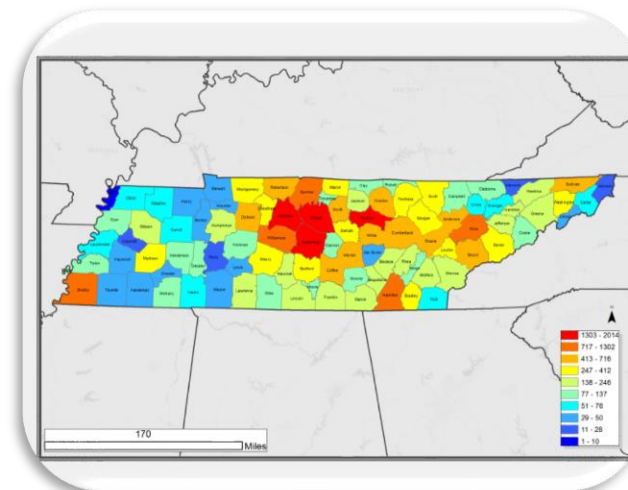

November 2, 2023

- **Information technology integration/interoperability**
 - Leverage existing tools before creating systems anew
 - Communicate transparently throughout the process
 - Invest in sustainable data modernization
 - Engage states in reporting system strategy development
- **Transition to commercialization of MCMs**
 - Facilitate payer transition
 - Mitigate impact to disproportionately affected populations
- **Not all parties at the table**
 - Involve CMS and FEMA in requirements development
 - Incentivize partnerships (carrot Vs stick)

- **Federal Pharmacy Partnerships**
 - Leverage a national systems approach
 - States and local public health can't do this alone
 - Invest in federal coordination for future threats
 - Build daily systems that can scale
 - Study the COVID-19 successes and lessons learned
- **Command and Control**
 - Clearly define federal roles and responsibilities
 - Exercise and test with state and local partners

- **Fight Flu TN**

- Pandemic vaccination exercise
- Vaccine clinics all 95 counties
- 14 Emergency Operations Centers
- Data Visualizations
- Interactive Clinic Finder Mapping
- Data Entry Strike Teams
- Community Partnerships

- **Ensure readiness**
 - Quality Improvement
 - Process Standardization
 - Project Public Health Ready
- **Grant requirements**
 - PHEP, HPP, IMMUN
 - Efficient use of time and funds (ROI)
 - Information system demonstrations
- **Collaborations**
 - Break down silos
 - Community engagement public/private sector partners as additional sites
 - Engage County Emergency Management Agencies

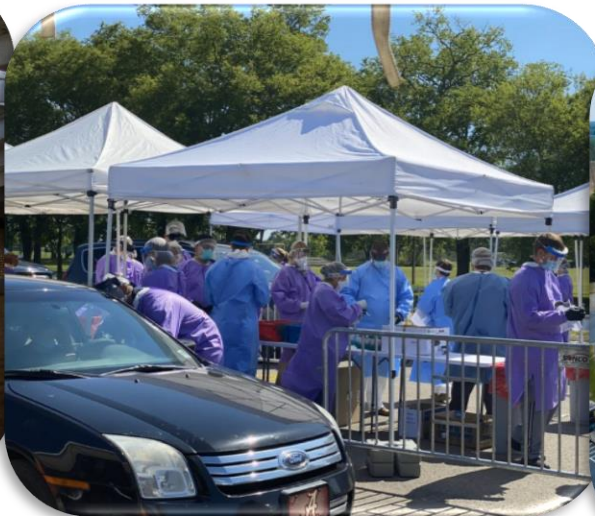

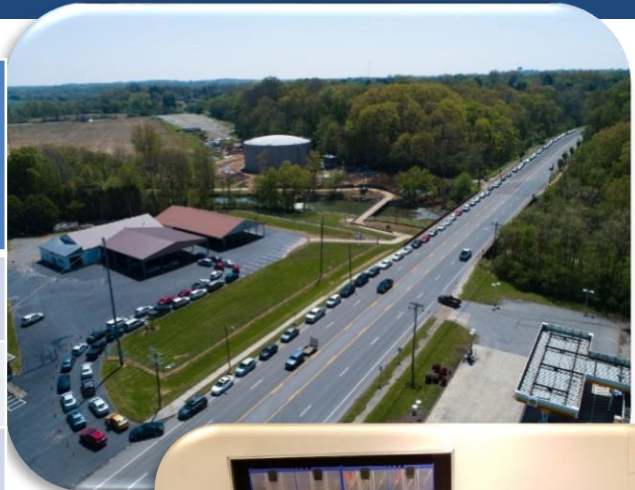

- **Special Populations Targeted**

- Focus is on:

- Disproportionately affected populations
- Resources developed in braille and sign language videos
- Comprehensive media campaign resources

Year	# of Sites	# of Vaccinations
2018	115	4,484
2019	175	9,666
2020	107	6,720
2021	109	4,605
2022	134	5,116
2023	140	TBD

Flu POD Locations

- Health Department Drive Through Clinic
- Health Department Walk Through Clinic
- Off-site Drive Through Clinic
- Off-site Drive Through/Walk Through Clinic
- Off-site Walk Through Clinic
