**NEWBORN SCREENING: CURRENT LANDSCAPE AND FUTURE DIRECTIONS
WEBINAR ON PERSPECTIVES FROM FEDERAL NBS PARTNERS**

March 8, 2024
11:00 AM – 1:00 PM ET

Agenda

The National Academies are undertaking a congressionally mandated consensus study on [Newborn Screening: Current Landscape and Future Directions](#), sponsored by the Department of Health and Human Services' Office on Women's Health. The committee's task is to examine newborn screening (NBS) systems, processes, and research in the United States and provide short-term options to strengthen existing NBS programs and a visionary roadmap over the next 5-15 years.

This information-gathering webinar will inform the study committee on the roles and perspectives of federal partners in the NBS system.

- 11:00 am **Welcome and Introductions**
- **Jewel Mullen**, Committee Chair
- 11:10 am **Panel: Perspectives from Federal NBS Partners**
- **Jeffrey Brosco**, Health Resources and Services Administration
 - **Paula Caposino**, US Food and Drug Administration
 - **Carla Cuthbert**, US Centers for Disease Control and Prevention
 - **Kamila Mistry**, Agency for Healthcare Research and Quality
 - **Melissa Parisi**, Eunice Kennedy Shriver National Institute of Child Health and Human Development
