Roundtable on Population Health Improvement
Community Violence as a Population Health Issue: A Workshop

June 16, 2016

AGENDA

Location: Lutheran Church of the Good Shepherd 7420 4th Avenue Brooklyn, NY 11209

WORKSHOP OBJECTIVES:

1. Explore the impacts of trauma and violence on communities.
2. Explore strategies and approaches that communities and multisector partners are using to prevent violence and build resilience.
3. Explore the evidence base for the effectiveness of these strategies and approaches for reducing the impact of violence on communities.
4. Provide a platform to showcase examples that can serve as models for other communities, with an explicit attention to the intersections of structural racism and structural violence
