

Patient-Centeredness in Delivering Affordable Care

October 9, 2012

Not nice...
Necessary

- **Affordability**
- **Patient –centered
cancer care**
- **Policies with potential**

COST vs. PRICE

**Patient-centered care =
enables me to
find good care and
make use of it
to achieve the
best possible outcome
consistent with my preferences.**

CHOOSE WHO WILL CARE FOR ME

TALK WITH MY DOCTORS

MANAGE MY TREATMENT AT HOME

**CHOOSE WHO WILL CARE
FOR ME**

TALK WITH MY DOCTORS

**MANAGE MY TREATMENT
AT HOME**

1.

Quality measures for cancer treatment, including a Cancer CAHPS measurement set...

2.

Higher reimbursement for cognitive services

3.

Bundled payment

4.

Oncology Patient-Centered Medical Home

- 1. Quality measures; Cancer CAHPS measurement set**
- 2. Higher reimbursement for cognitive services**
- 3. Bundled payment**
