

Sexual Harassment Among Students in Science, Engineering, and Medicine

Data from the ARC3 Campus Climate Survey

“[A] school that is willing to get an accurate assessment of sexual assault on its campus is one that’s taking the problem – and the solution – seriously.”

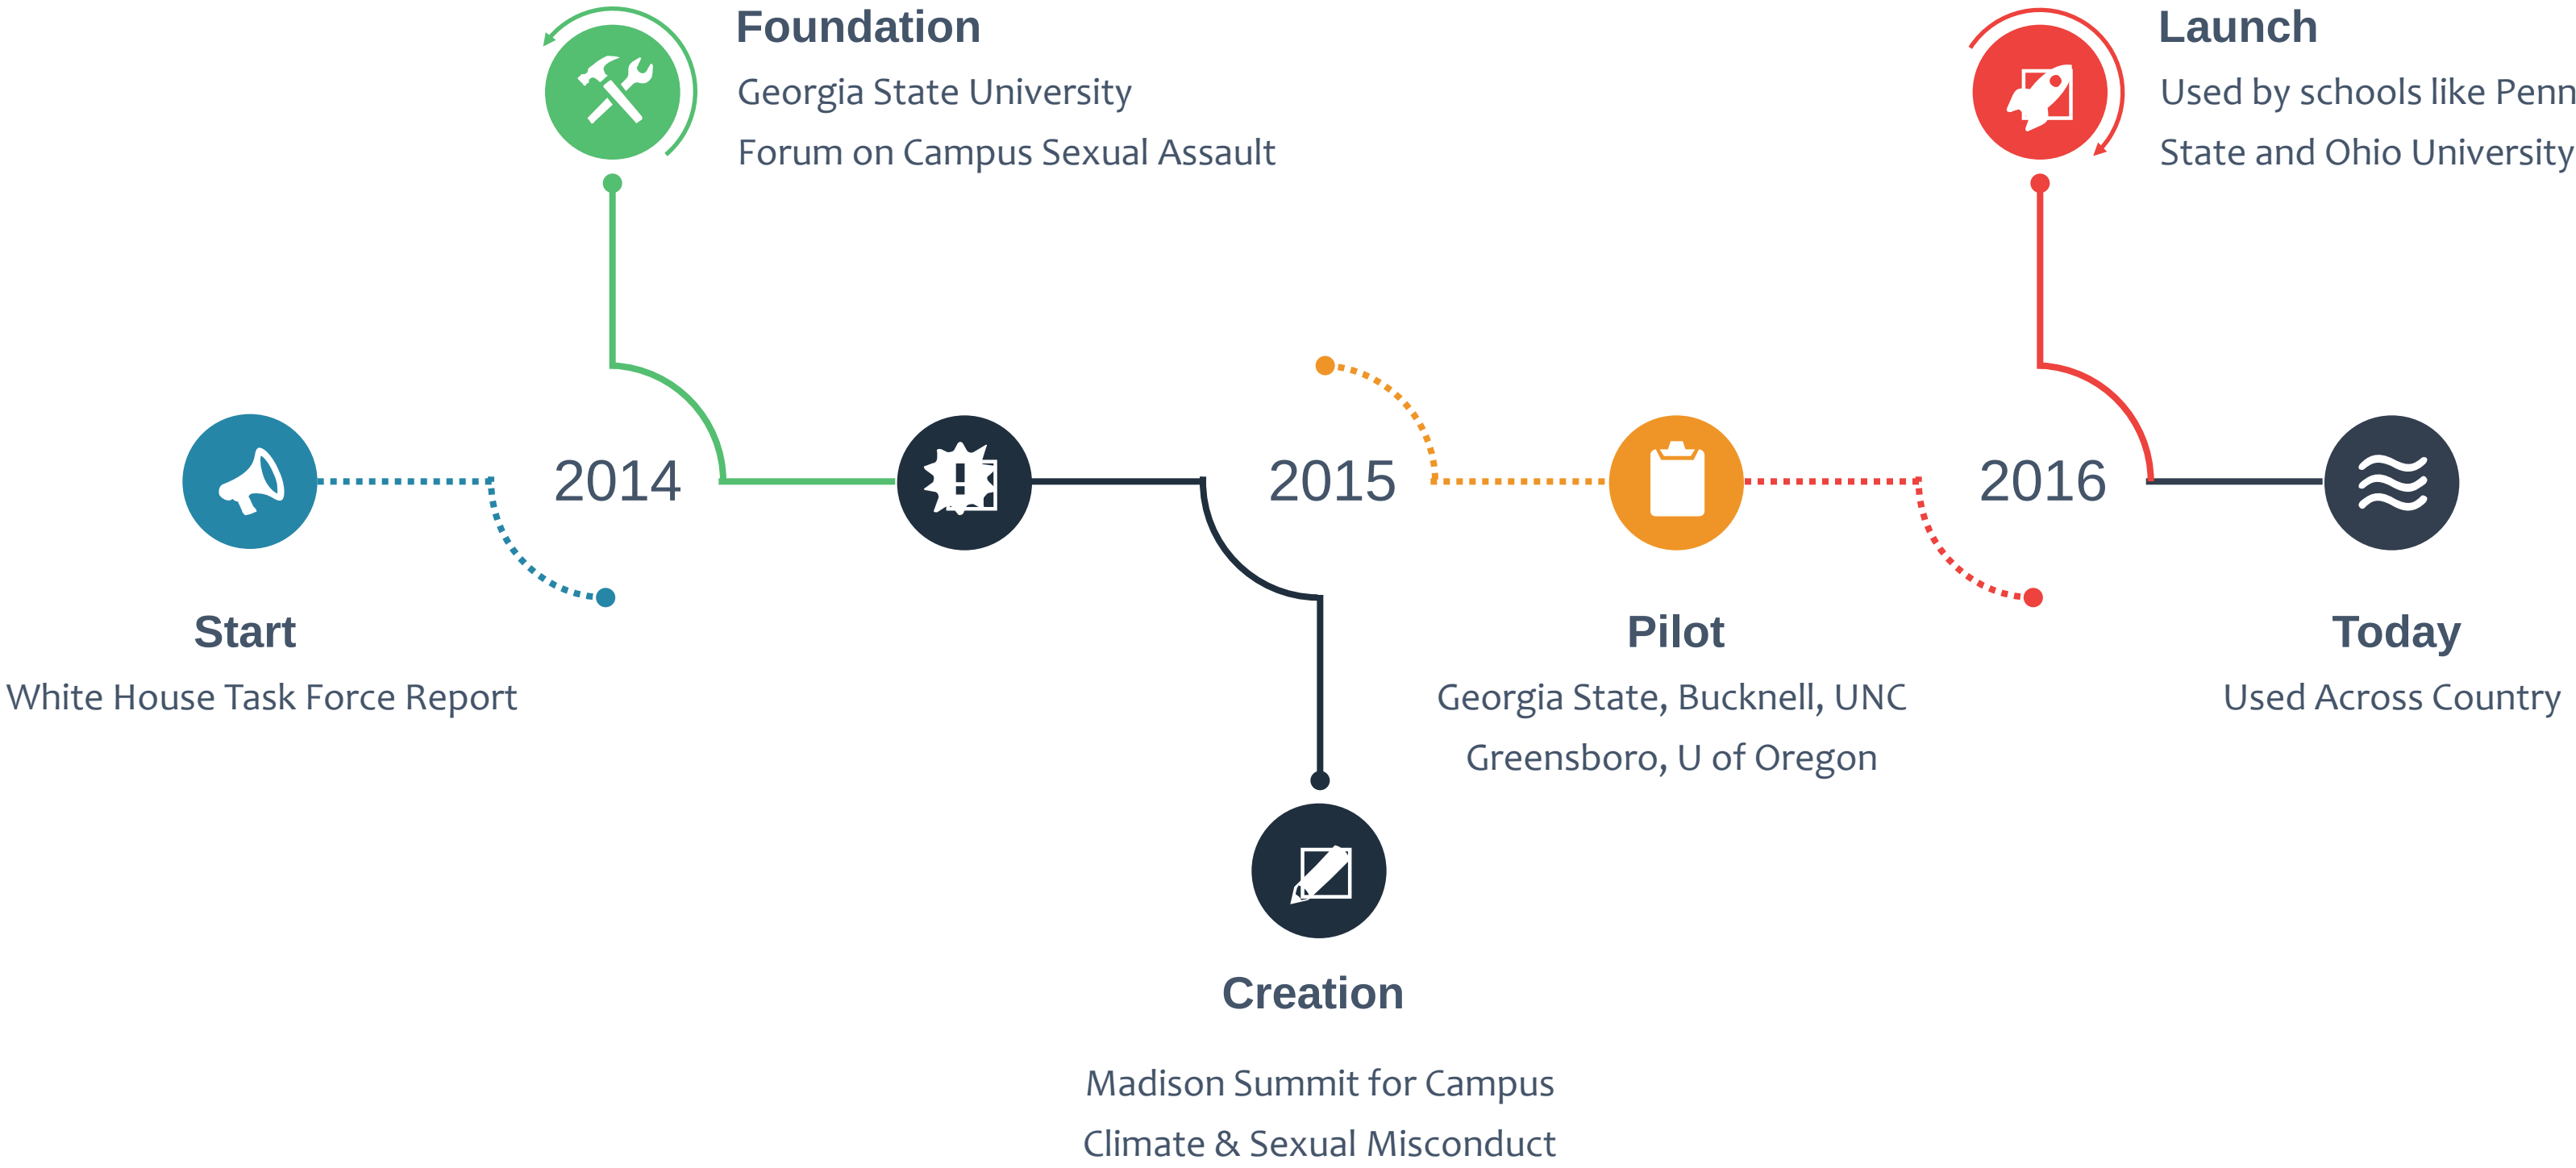

*2014 White House Task Force to Protect Students from Sexual Assault
April 2014*

PURPOSE

The Why and How of ARC3

From Idea to Implementation

INSTRUMENT

The ARC3 Survey

campusclimate.gsu.edu

The ARC3 Survey Packet

- ✍ Introduction Letter
- ✍ 19 Modules
- ✍ Comprehensive technical materials to describe scientific origin of questions
- ✍ Scoring document and guidance for implementing survey
- ✍ Qualtrics version of survey

Survey Modules

-  Possible Outcomes
-  Alcohol Use
-  Peer Norms
-  Perceptions of Campus Climate Regarding Sexual Misconduct
-  Sexual Harassment by Faculty/Staff
-  Sexual Harassment by Students
-  Stalking Victimization
-  Stalking Perpetration
-  Dating Violence Victimization
-  Dating Violence Perpetration
-  Sexual Violence Victimization (Assault)
-  Sexual Violence Perpetration
-  Institutional Responses
-  Peer Responses
-  Consent
-  Bystander Intervention
-  Campus Safety
-  Demographics
-  Additional Information
