

Addressing the Impact of Satellite Constellations on Astronomy and Society: Pathways Forward

October 20, 2021
12:30-2:00 PM ET

Register at:
<https://bit.ly/3v4HRFm>

Topics:

- National and international laws and policies
- Observation and measurement of interference caused by satellite constellations
- Algorithms needed for avoidance and streak removal
- Current efforts underway by IAU and COPUOS

*Sponsored by the
U.S. National Committee for the International Astronomical Union
National Academies of Sciences, Engineering and Medicine*
