

Pandemic Emergency Response

Lessons Learned from COVID-19

Allison Berry, MD MPH

Health Officer for Clallam and Jefferson Counties

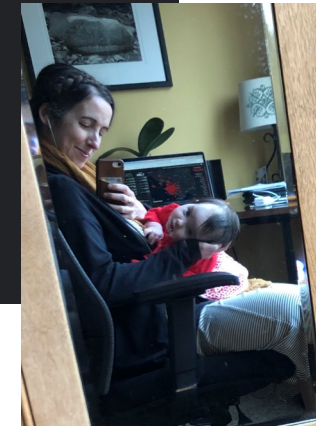

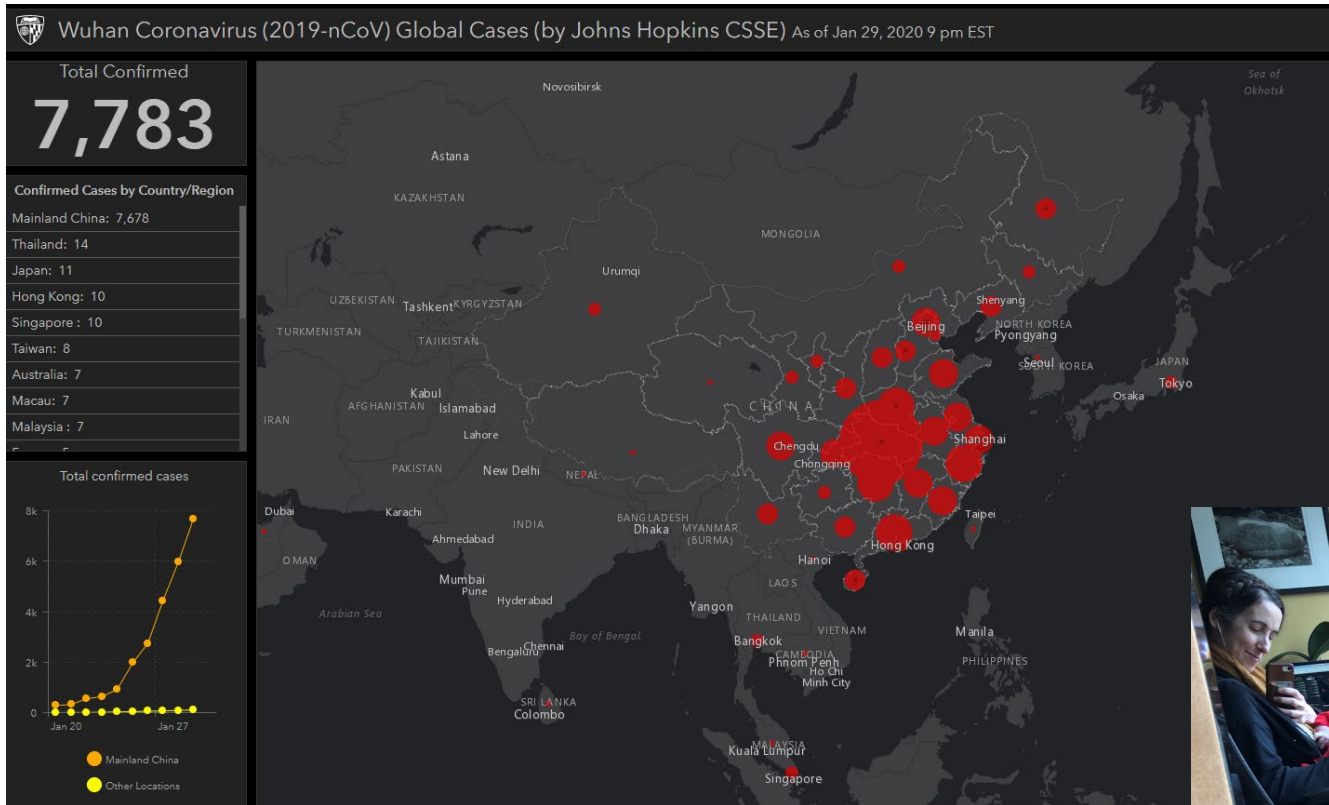

COVID-19 in Clallam County

PERCENT OF ELIGIBLE POPULATION THAT RECEIVED ANY BOOSTER (5+)

Jefferson County	74.9%
San Juan County	72.4%
King County	67.6%
Clallam County	65.2%

How It Started

Lesson 1:

1. Get your subject matter experts in the room early.

Lesson 2:

2. There will be more infected people than you know.

Lesson 3:

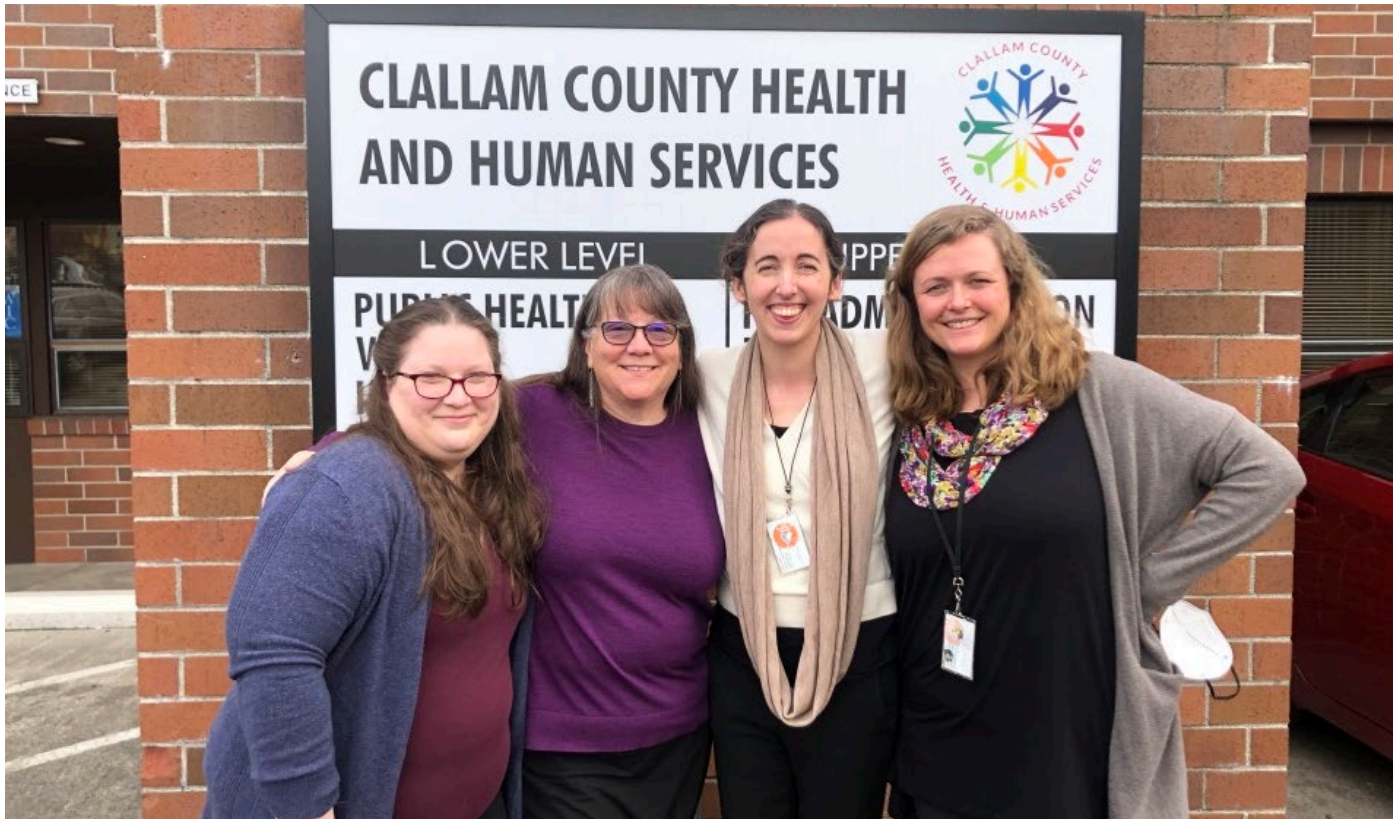

3. Prioritize care for the vulnerable.

Lesson 4:

4. Credibility is essential.

Lesson 5:

5. Build resilience into the system before the disaster.

Questions?

6. A small group of dedicated people can do incredible things.
