PATHWAY TO MEDICINE

05/02/2022

WHY STEM?

- Academic interest in science
 - Specifically for medicine – My fathers personal struggle
- The interaction/ relationship I have with my family physician who I've been with for 15 years!
- My strong love, and strong commitment to people of my community

How?

- Relied on programs in my community
- Researched on the the pathway into medicine
 - Networked

PROGRAMS

- Futures and Options
- Camp G.O.A.L.S for girls
- Romano and Borneman research program
- Mentoring in Medicine
- Pathway to Purpose
- COVID-19 empowerment program
