

PRE-WORKSHOP REFLECTION QUESTIONS

Durham, NC and Online

2. What is your role in enacting change at your institution or your relevant professional organization? What agency and power do you hold to contribute to progress and improvement?

Durham, NC and Online

3. What current strengths of your institution or your relevant professional organization can you build on? Where are the opportunities for growth and improvement? What examples from other institutions have you seen that work well?
4. As a leader, where do you experience the intersection of mentorship, professional development and well-being in your work? How have you worked to further these efforts?
