Business Equity for Indy (BEI)

BEI is a joint venture of CICP and the Indy Chamber, in collaboration with the Indianapolis Urban League. It aims to grow a more inclusive business climate and build greater equity and opportunity for the Indy region's Black residents and people of color.

Our Priorities:

People

Eliminate hurdles to increase equity and inclusion in Indy's workforce, including impediments to health and access to education

Procurement

Increase the launch, growth, and success of Black-owned enterprises

Policy

Engage and support the community in effective advocacy efforts

Good wages research inclusive economic development policies

- City of Indianapolis' Inclusive Incentives program
- Certified Good Wages Initiative – 70+ companies
- Changes to corporate minimum wage policies
 - first-to-commit OneAmerica and IU Health
