

2nd Meeting of the Mathematical Sciences Education Board

**Keck Building – Room 106
Washington, D.C.**

October 23 & 24, 2025

Thursday, October 23, 2025 | 8:30 am – 6:00 pm (All time shown in US EDT)

OPEN SESSION – open to the public (online and in-person)

1:00 PM **Welcome to Open Session**
Moderator: Mark Green

1:05 PM **Revisiting the MSEB of 1985-2005**
Moderator: Mark Green
Speakers:
Joan Ferrini-Mundy, University of Maine
Gail Burrill, Michigan State University
Reflections on the earlier MSEB and thoughts on the new board and its goals

1:45 PM **State K-12 Math Policy**
Moderator: Robert Berry

Speakers:

- William “Brit” Kirwan, Chancellor Emeritus of the University System of Maryland
- Jonathan “Jon” Wray, Secondary Math Coordinator, Howard County Public Schools, Maryland
- Padmanabhan “Padhu” Seshaiyer, George Mason University

Guiding questions for presentations by speakers

- What motivates continued efforts to change mathematics education policy?
- What should be the goals of K-12 math education?
- Who are the key stakeholders involved in the process of policy change?
- What are the challenges to implementing new policies for K-12 math education?

3:00 PM **Break/Adjourn Open Session**
