Mark only one oval.

- ☐ I am available May 30 to June 1, 2018 and can commit to attend all 3 days of the event.
- ☐ Other: _____

Key Questions

Please keep each response under 1650 characters (including spaces).

12. **Please provide a brief summary of your professional background. ***

Please note that if you are selected as a participant, the information provided in your answer to this question will be made available to the other participants to facilitate networking at the workshop.

13. How do you see your expertise and interests contributing to the workshop? *

The workshop seeks to identify projects that could 1) provide useful and important insights into how community attributes and systems interact and influence a community's capacity to adapt and thrive and 2) develop actionable information and strategies for enhancing community resilience.

14. What are the particular challenges to Enhancing Coastal Community Resilience and Well-being in the Gulf of Mexico Region that you are interested in working on? *

Please spend some time considering your answers to the following questions.

Your responses will help us assess your suitability for the innovative and collaborative setting of this intensive, interactive, fast-paced event. Please note, each response is limited to 1650 characters (including spaces).

15. What is your approach to teamwork? What strengths do you bring to a team effort? *

16. How would you explain your area of interest to individuals with different expertise to your own? How easy do you find this? *

Please submit answers to these questions via the online application form.

A link to the form can be found on this page: <http://www.nas.edu/gulf/grants/tc-5/tc-5-workshop/index.htm>

17. **This workshop is especially suited to individuals who enjoy stepping outside their areas of expertise or interest, are positively driven, enjoy creative activity, and can think innovatively. It is an intensive setting requiring you to develop novel approaches with individuals you may not know. How do you consider yourself suited? ***

18. **What do you hope to gain from participating in this workshop, personally and professionally? ***
