Information to make your travel and lodging arrangements

NASEM Travel	NASEM's top priority is the safety of our travelers and staff. Click HERE to review our operating status and protocols. If you choose to attend meetings in person and test positive for COVID-19 while at an Academies meeting, we will make arrangements for you to join virtually. If you test positive for COVID-19 during the event and, following the latest CDC guidance need to isolate for a period of time, we will assist you in making arrangements for extending accommodations and rebooking your travel. Please note that our ability to support these additional costs are subject to the award sponsor agreeing to cover these costs and it is possible that you may be responsible for these additional expenses. However you choose to participate, we are grateful for your important contribution to our mission to provide independent, objective advice to inform policy with evidence, spark progress and innovation, and confront challenging issues for the benefit of society.

Reimbursement for your out-of-pocket expenses

Submitting Travel Expenses for Reimbursement	It is Academies policy that travel expense reports (TERs) are completed within 15 days of the end of travel. Sponsors may reject expenses not submitted on time and will be the responsibility of the traveler. If you have questions, or trouble completing your TER, please contact your travel coordinator for assistance. In January 2023, NASEM migrated away from Concur to a new expense reporting system that is integrated into our financial management system. Detailed instructions for completing your TER will be sent in a separate email from your travel coordinator. Please keep track of all other out-of-pocket expenses. Receipts for all transportation costs and all other (non-food related) expenses over \$75.
