Authorized Travel Dates	<i>Travelers must be 50 or more miles from their home or principal place of business to be eligible for per diem reimbursement. The Authorized travel dates: February 24, 2025 – February 27, 2025. We cannot reimburse per diem expenses incurred outside these dates.</i>
Making Travel Arrangements	Please use our travel agency, below, to arrange your air, rail, and rental car reservations. Please note: All International Travel must be booked through our travel agency. Fill out this form to begin making travel arrangements for the GUIPRR meeting. If you plan to have GUIPRR cover travel expenses, then you must fill out the form and book with our preferred travel agency to ensure that you are in our system for reimbursement. Once completing the form, the travel coordinator will reach out with information of how to get in contact with our travel agency. The agency will ensure your itinerary complies with federal regulation, Academies travel policies and procedures, will ensure full recoverability from the sponsor, and full reimbursement to you. Air, rail, and rental cars booked through our travel agency will be directly billed to the Academies. Combining Academies business with other travel If you are combining travel for Academies business with other travel (either personal or non-Academies business), <i>please book with our travel agency, above, to ensure that you will be reimbursed to the greatest extent possible. We rely on our travel agency to separate Academies and other travel to substantiate allowability and sponsor reimbursement.</i> The Academies will reimburse you for the lowest reasonable roundtrip economy fare from your permanent place of residence or business to the location where the Academies' business will take place. *Changes in Travel Plans* <i>Please contact your travel coordinator, listed above, and the travel agency as soon as you know you will need to change or cancel your itinerary. Itinerary changes must be reviewed and appropriately documented by the travel coordinator to ensure reimbursement from the sponsor.</i>

Ground Transportation	We encourage the use of taxis, ride sharing such as Uber/Lyft (Not Premium or Surge Pricing), airport shuttles, or public transportation to and from the airport or train station whenever possible. <i>Rental Cars: Rental cars are NOT a reimbursable expense for meetings held in the Washington, DC area. For meetings outside the DC area, please book through our travel agency, and it will be billed directly to the Academies. In these circumstances, insurance is already included in the Academies' agreements with rental car companies. Any additional insurance purchased cannot be reimbursed. Only economy and compact car rentals are valid while on Academies' travel. Sedan services must be authorized in advance.</i> <i>Rail Travel: We are not able to reimburse the cost of Acela train service, as it is a premium class. You may book coach class rail service through our travel agency.</i> <i>Personal Vehicle: An estimate of cost should be obtained from your travel coordinator before using a personal vehicle on Academies business. Reimbursement will be limited to that of the cost of a common carrier. Personal vehicle use will be reimbursed at the current rate per mile established by GSA; remember to record your total mileage.</i>
